

INNOVATIVE PRODUCTS FOR THE VINYL
FENCE, DECK & RAILING INDUSTRY

WWW.LMTPRODUCTS.COM

OUR MISSION

The Mission of LMT Mercer Group, Inc. is to be the industry leader in the manufacturing of vinyl caps, accessories and kit products. We will accomplish this by setting the benchmark for quality, customer service and competitive pricing.

LMT Mercer Group, Inc. will also set the pace for new innovations by employing the industry's best. We will be creative not only with the development of new products, but with manufacturing, distribution and sales. We will use all resources available to us in order to make our customers the most competitive they can be, since we are not only their vendor but also their partner.

Anthony Lesenskyj
President

LMT Mercer Group, Inc. was formed in 1987 and supplies the vinyl and wood composite fence and deck industry with high quality component parts. Today, LMT is the largest manufacturer of vinyl fence, deck and railing accessories in the U.S. and Canada, offering more than 950 products from which to choose. We manufacture a broad range of products designed to meet the needs of a diverse and demanding customer base, introducing at least 20 new products each year.

Headquartered in Lawrenceville NJ, we operate manufacturing plants in New Jersey and Ohio, with distribution centers in New Jersey, Ohio and Utah.

LMT uses automatic high-cavitation tooling to sustain its competitive edge. LMT operates 33 state-of-the-art injection molding machines equipped with servo-robotics and nitrogen gas-assist capabilities. Machine sizes range from 60 to 1,000 tons.

Dedicated Customer Service and Sales teams ensure that customers receive individual attention and care throughout the order process.

DECK & RAIL COMPONENTS

ADA Railing System

LMT Mercer Group, Inc. offers one of the most comprehensive assortments of deck and rail components in the industry. We also offer AC174 compliant handrail accessories. Create a continuous handrail on any stair, handrail or ramp. Simple to install on site. This system is easily installed and can be mounted to wood, vinyl, composite, masonry or metal.

Colors Available in White, Black, Almond and Acorn.

For customers requesting ADA compliant railing, we offer our ADA Railing system as an option. ADA Rail provides added safety to any stair or ramp. It features a fully adjustable internal joiner, which can accommodate any angle from 0 to 90 degrees for complete code compliance.

LIGHTING

Low Voltage Accent Lighting

Low Voltage Lighting presents both style and grace for your deck, patio, or backyard getaway. The hard wired system allows you to control the lighting, turning it on when you need it and off when you don't. Perfect for entertaining areas that require light in the evenings or to simply showcase your fence, deck, or patio areas. Requiring only a traditional 110V outlet, wire, and a transformer, the outstanding performance of the AfterDusk Low Voltage Lighting is a great option for any application.
